

CfiAGROTECH

CONGRESS AND INTERNATIONAL EXHIBITION OF AGROINDUSTRY & TECHNOLOGIES

SEPT. 5 - 7, 2023
PARQUE FISA, SANTIAGO - CHILE

www.cfiagrotech.cl

ORGANIZERS

WHY PARTICIPATE?

Sustainable agriculture
& livestock

Ingredients &
raw materials

Processing of food &
beverages

Packaging

Logistics and transport

Food safety and
quality

CFIAGROTECH will bring together every two years in one place all the agrifood and beverages production with national and international players for the promotion, marketing, relationship and strengthening of the industry, throughout its value chain.

CFIAGROTECH aims to display more than 300 companies located in 30,000 sqm of exhibition and more than 15,000 visitors, looking for technologies, supplies and services, including startup companies, entrepreneurs, venture capital, among others.

A space for decision makers looking for the state of art in technologies and innovations, as well as institutions and organizations related to financing, investments, marketing and distribution of food and beverages.

EXHIBITION

Enjoy in person and the direct face-to-face opportunities and experiences.

MARKETPLACE

Show your products and services in the most complete and interactive online catalog, creating and permanently updating your Exhibitor Profile, with brochures, videos and others materials.

ACTIVITIES

Attend the program: International Congress, technical talks, activations and demos.

Let's talk!
