CFIAgrotech will have an exhibition area of more than 10,000 sqm that will bring together in just one venue some 300 exhibitors of technologies, supplies, and services for the agricultural sector, agri-food industry, beverages, packaging, transport, related institutions, entrepreneurs, among others.

It will be a forum for decision makers looking for the latest market innovations, as well as institutions and organizations linked to financing, procurement and distribution.

This will become the meeting point for those in search of supplies, tools, machinery and technological solutions, and also of institutions and organizations linked to the financing of the sector.

EXHIBITION

Once again, come to live direct face-to-face opportunities and experiences.

MARKETPLACE

Exhibit your products and services in the most complete interactive catalog, create your own Exhibitor Profile, customize and permanently update your stand.

ACTIVITIES

Participate in the program: International Congress, technical talks and live presentations.

Let's talk!
